TO: American National Bank and
Trust Company of Chicago

Chicago, Illinois 60690

Attention: Jonathan P. Hecht,
Second Vice President

Gentlemen:

Reference is made to the Security Agreement, of even date herewith (the "Security Agreement"), between The American National Bank and Trust Company of Chicago (the "Lender"), and Funding Systems Railcars, Inc. ("Debtor"). Terms used herein and not otherwise defined shall have the meanings specified in the Security Agreement, a copy of which is attached hereto as Exhibit A.

Refco Transport Equipment, Inc., a Delaware corporation (the "Owner"), and Comet Leasing Corp. ("Comet") have heretofore entered into a Purchase Agreement, dated December 31, 1979 (the "Purchase Agreement"), pursuant to which Comet sold the equipment described on Schedule A to the Security Agreement (the "Equipment") to the Owner. Upon such acquisition, Owner leased the Equipment to Debtor pursuant to an Agreement of Lease, dated December 31, 1979 (the "Owner Lease"), between the Owner, as lessor, and Debtor, as lessee. Pursuant to a Collateral Assignment of Leases, of even date therewith (the "Collateral Assignment"), between the Owner and Debtor, Debtor assigned, among other things, its interest in the rentals and other amounts payable under the Management Agreement to the Owner, as collateral security for Debtor's obligations under the Owner Lease.

Pursuant to the Security Agreement, Debtor will grant to the Lender a first security interest in the Equipment and the Management Agreement, except as otherwise provided therein, to secure Debtor's obligations to the Lender under the Security Agreement and under the Notes. In order to induce the Lender to participate in the transactions contemplated by the Security Agreement, the Owner hereby covenants and agrees with the Lender as follows:

1. Grant of Security Interest to Lender. To secure Debtor's obligations to the Lender under the Finance Agreement, the Security Agreement, the Notes and the Other Agreements, the Owner hereby grants to the Lender a security interest in the

Equipment and all its right, title and interests in the Management Agreement, and any substitutions therefor, such security interest having priority over any other interests of the Owner in the Equipment and the Management Agreement (including any interests arising under that certain Collateral Assignment of Leases between Owner and Debtor) or any substitutions therefor; provided, however, that nothing contained herein shall in any way give the Lender any right to receive the rentals and other payments due from Debtor to the Owner under the Owner Lease or to declare a default or waive a default by Debtor thereunder; and provided, further, however, that nothing contained herein shall constitute or be deemed to constitute any release of Debtor from any of its obligations, or a waiver by the Owner of any rights or remedies it may have against Debtor, under the Owner Lease or otherwise, provided, however, that the exercise by the Owner of any rights or remedies will not disturb the validity, priority or perfection of the security interest of the Lender in and to the Equipment and the Management Agreement. Owner hereby agrees not to exercise any rights to possess or foreclose upon the Equipment upon an Event of Default by Debtor under the Owner Lease without the prior written consent of the Lender which consent shall not be unreasonably withheld. Upon the occurrence of an event of default under the Security Agreement or the Notes, the Lender shall, except as otherwise provided herein, have the remedies with respect to the Equipment and the Management Agreement as are provided with respect to the Collateral by the Security Agreement and by law. The Lender agrees that the Owner has no liability whatsoever for payment of the Notes or satisfaction of Debtor's obligations hereunder or under the Security Agreement or for any deficiency judgment on any foreclosure of the Lender's security interests in the Equipment and the Management Agreement or for any other obligations of Debtor to the Lender. Upon full payment of the Notes and satisfaction of Debtor's obligations thereunder and under the Security Agreement, the Lender agrees to execute and deliver to the Owner such releases, termination statements or other documents reasonably requested by the Owner as may be necessary or desirable to evidence such satisfaction.

2. Acknowledgment of Lender's Security Interest. In order to preserve and protect the security interests granted to the Lender under the Security Agreement and this Agreement, the Owner hereby (i) acknowledges the execution and delivery of the Security Agreement by Debtor, (ii) waives any objection to the enforceability thereof, (iii) recognizes the security interests granted to the Lender thereby, (iv) agrees that the Owner's interest in the Equipment and its interest in the Management Agreement (including any interests arising under the aforementioned Collateral Assignment of Leases) shall in all respects be further subject and subordinate to the security interests granted to the Lender by the Security Agreement and this Agreement, (v) to the extent deemed necessary or desirable by the Lender, agrees that it shall execute and deliver to the Lender, for the purpose of further perfecting or confirming the security interests of the Lender created by the Security Agreement and

this Agreement, such financing statements and other documents as the Lender shall reasonably request.

3. Representations, Warranties and Agreements of the Owner. The Owner represents and warrants that:

(a) The Owner has, on the date hereof, whatever title to the Equipment was conveyed to it by Comet subject to the Permitted Liens and the security interest of the Builder under the Rebuilding Order ("Builder's Lien"). The Owner has not taken, or failed to take, nor will it take or omit to take, any action which would result in the imposition of a lien on the Equipment, other than the Permitted Liens, the Builder's Lien and the liens of the Lender pursuant to the Security Agreement and this Agreement.

(b) The Owner has filed all tax returns required to be filed by it and is not in default in the payment of any taxes levied or assessed against it or any of its assets.

(c) The Owner has full authority to enter into this Agreement and to consummate the transactions contemplated hereby; the execution and delivery of this Agreement and the performance of the Owner's obligations hereunder have been duly authorized by all necessary corporate action on the part of the Owner; and this Agreement constitutes the valid and binding agreement and obligation of the Owner, enforceable against the Owner in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, reorganization, insolvency, moratorium or similar laws relating to or affecting creditors' rights generally.

4. Miscellaneous. All notices hereunder shall be in writing and shall be delivered or mailed by first class, registered or certified mail, postage prepaid, addressed to the parties at their respective addresses first set forth above, or at such other address as any party hereto shall have designated by written notice, as aforesaid, to the other. Neither this Agreement nor any provision hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which the enforcement of the change, waiver, discharge or termination is sought. The terms of this Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto. This Agreement may be executed in two or more counterparts, each of which when so executed shall be an original, but all of which shall constitute one and the same instrument. This Agreement shall be construed in accordance with and governed by the laws of the State of Illinois.

If you are in agreement with the foregoing, please sign the acceptance on the enclosed counterpart of this letter and return

such counterpart to the Owner, whereupon this letter shall become a binding agreement between you and the undersigned.

Very truly yours,

Section 3. POSSESSION, USE AND RELEASE OF PROPERTY.

3.1. Possession of Collateral. So long as there is no Event of Default hereunder or an event which with the giving of notice or lapse of time or both would constitute such an Event of Default, the Debtor shall be suffered and permitted to remain in full possession, enjoyment and control of the Equipment and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto. It is expressly understood that the use and possession of the Equipment by UMP in compliance with the terms of the Lease and Management Agreement shall not constitute a violation of this Section 3.1.

3.2. Release of Property. So long as no default referred to in Section 15 of the Lease and Management Agreement has occurred and is continuing to the knowledge of the Secured Party, the Secured Party shall execute a release in respect of any Item of Equipment designated by UMP for settlement pursuant to Section 12 of the Lease and Management Agreement upon receipt from UMP of written notice designating the Item of Equipment in respect of which the Lease and Management Agreement will terminate, together with a statement that there is no such default thereunder, and the receipt from UMP of payment for the Casualty Value for such Item of Equipment in compliance with Section 12 of the Lease and Management Agreement.

3.3. Protection of Purchaser. No purchaser in good faith of property purporting to be released hereunder shall be bound to ascertain the authority of the Secured Party to execute the release, or to inquire as to any facts required by the pro-

visions hereof for the exercise of such authority; nor shall any purchaser, in good faith, of any item or unit of the Collateral be under obligation to ascertain or inquire into the conditions upon which any such sale is hereby authorized.

Section 4. APPLICATION OF ASSIGNED RENTALS AND
CERTAIN OTHER MONEYS RECEIVED BY
THE SECURED PARTY.

4.1. Application of Rentals; Certain Prepayments. So long as no Event of Default hereunder or event which with the giving of notice or lapse of time or both would constitute such an Event of Default has occurred and is continuing, the amounts from time to time received by the Secured Party which constitute payment of the installments of rental under the Lease and Management Agreement shall be applied first, to the payment of the installments of principal and interest (and in each case first to interest and then to principal) on the Notes which have matured or will mature on or before the due date of the installments of rental which are received by the Secured Party, and second, the balance, if any, of such amounts held by the Secured Party after making the applications provided for herein shall be released promptly to or upon the order of Debtor.

4.2. Application of Casualty Value Payments. So long as no Event of Default or event which with the giving of notice or lapse of time or both would constitute such an Event of Default has occurred and is continuing, the amounts from time to time received by the Secured Party which constitute settlement by UMP of the Casualty Value for any Item of Equipment pursuant to Section 12 of the Lease shall be paid and applied as follows:

(a) First, an amount equal to the accrued and unpaid interest on that portion of the Notes to be prepaid pursuant to the following subparagraph (b) shall be applied on the Notes;

(b) Second, an amount equal to the Loan Value (as hereinafter defined) of such Item of Equipment for which settlement is then being made shall be applied to the prepayment of the Notes, without premium, so that each of the remaining installments of each Note shall be reduced in the proportion that the principal amount of the prepayment bears to the unpaid principal amount of the Notes immediately prior to the prepayment; and

(c) Third, the balance, if any, of such amounts held by the Secured Party after making the applications provided for by the preceding subparagraphs (a) and (b) shall be released promptly to or upon the order of the Debtor.

For purposes of this Section 4.2, the Loan Value, in respect of any Item of Equipment, shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the

Purchase Price of such Item of Equipment for which settlement is then being made and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject hereto (including the Purchase Price of such Item of Equipment for which settlement is then being made), times (B) the unpaid principal amount of the Notes immediately prior to the prepayment provided for in this Section 4.2 (after giving effect to all payments of installments of principal made or to be made on the date of prepayment provided for in this Section 4.2).

4.3. Application of Casualty Insurance Proceeds. The amounts received by the Secured Party from time to time which constitute proceeds of casualty insurance maintained by UMP in respect of the Equipment, shall be held by the Secured Party as a part of the Collateral and shall be applied by the Secured Party from time to time to any one or more of the following purposes:

(a) So long as no Event of Default has occurred and is continuing, the proceeds of such insurance shall, if the Equipment is to be repaired, be released to the Debtor to reimburse UMP for expenditures made for such repair upon receipt by the Secured Party of a certificate of an appropriate officer of UMP as required by the last paragraph of Section 12.1 of the Lease and Management Agreement;

(b) If the insurance proceeds shall not have been released to the Debtor pursuant to the preceding paragraph (a) within (180) days from the receipt thereof by the Secured Party, or if within such period UMP shall have notified the Secured Party in writing that the Lease and Management Agreement in respect to any Item of Equipment is to be terminated in accordance with the provisions of Section 12, then so long as no Event of Default has occurred and is continuing to the knowledge of the Secured Party, the insurance proceeds shall be applied by the Secured Party as follows:

(i) First, to the prepayment of the Notes all in the manner and to the extent provided for by Section 4.2 hereof; and

(ii) Second, the balance, if any, of such insurance proceeds held by the Secured Party after making the applications provided for by the preceding subparagraph (i) shall be released promptly to or upon the order of the Debtor.

4.4. Multiple Notes. If more than one Note is outstanding at the time any such application is made, such application shall be made on all outstanding Notes ratably in accordance with the aggregate principal amount remaining unpaid thereon.

4.5. Default. If an Event of Default has occurred and is continuing, all amounts received by the Secured Party pursuant to Section 1.2 hereof shall be applied in the manner provided for in Section 5 in respect of proceeds and avails of the Collateral.

Section 5. DEFAULTS AND OTHER PROVISIONS.

5.1. Events of Default. The term Event of Default shall mean one or more of the following:

(a) Failure to receive payment (or failure to retain said payment arising out of a default by Debtor) of principal or interest on any Note as and when the same shall become due and payable, whether at the due date thereof or at the date fixed for any prepayment or by acceleration or otherwise, and any such default shall continue unremedied for ten days; or

(b) An Event of Default, as defined and set forth in Section 15 of the Lease and Management Agreement; or

(c) Default on the part of the Debtor in the due observance or performance of any covenant or agreement to be observed or performed by the Debtor under this Security Agreement, and such default shall continue unremedied for 30 days after written notice from the Secured Party to the Debtor specifying the default and demanding the same to be remedied; or

(d) Any representation or warranty on the part of the Debtor or UMP made herein or in the Finance Agreement, the Lease and Management Agreement or the Other Agreements or in any report, certificate, financial or other statement furnished in connection with this Security Agreement, the Finance Agreement, the Lease and Management Agreement, the Other Agreements or the transactions contemplated herein or therein shall prove to be false or misleading in any material respect when made; or

(e) Any claim, lien or charge (other than Permitted Liens) shall be asserted against or levied or imposed upon the Equipment, and such claim, lien or charge shall not be discharged or removed within thirty calendar days; or

(f) Any proceeding shall be commenced by or against the Debtor for any relief which includes or might result in any modification of the obligations of the Debtor hereunder under any bankruptcy or insolvency law or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions.

5.2. Secured Party's Rights. The Debtor agrees that when any Event of Default has occurred and is continuing, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the Uniform Commercial Code of the Commonwealth of Pennsylvania (regardless of whether such Code or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) and the Secured Party shall have all of the rights and remedies granted pursuant to the Interstate Commerce Act and the Secured Party shall also have the following rights and remedies:

(a) The Secured Party may, by notice in writing to the Debtor declare the entire unpaid balance of the Notes to be immediately due and payable; and thereupon all such unpaid balance, together with all accrued interest thereon, shall be and become immediately due and payable. Notwithstanding anything to the contrary contained herein, the Debtor and/or its successors and assigns (the "Redeeming Party") shall have the right to redeem all but not less than all of the Items of Equipment owned by said Redeeming Party by paying to Secured Party, within ten (10) days of the receipt by Debtor of the notice from the Secured Party, an amount equal to the Redemption Value (as hereinafter defined) for each Item of Equipment to be redeemed. For the purposes of this Section 5.2(a), the Redemption Value, in respect of any Item of Equipment shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price (as defined in the Participation Agreement) of the Item or Items of Equipment to be redeemed and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject to the Lease, times (B) the unpaid principal amount of the Notes plus accrued and unpaid interest as of the date of payment of the Redemption Value. In addition to the Redemption Value, the Redeeming Party must also pay any and all costs and expenses incurred by Secured Party applicable to those Items of Equipment to be redeemed as would have been paid under Paragraph 5.6(a) hereinafter from the proceeds and/or avails of any sale. Upon payment of the Redemption Value and the costs and expenses referred to above, the redeemed Items of Equipment shall be released from all liens, claims or encumbrances of the Secured Party.

(b) The Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold.

(c) The Secured Party may, if at the time such action may be lawful (subject to compliance with any mandatory legal requirements) either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Debtor once at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of said Collateral, or any part thereof, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Secured Party may determine, and at any place (whether or not it be the location of the Collateral or any part thereof) designated in the notice above referred to;

provided, however, that any such sale shall be held in a commercially reasonable manner. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further published notice, and the Secured Party or the holder or holders of the Notes, or of any interest therein, or the Debtor may bid and become the purchaser at any such sale.

(d) The Secured Party may proceed to protect and enforce this Security Agreement and said Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other proper, legal or equitable remedy available under applicable law; and

(e) The Secured Party may proceed to exercise all rights, privileges and remedies of the Debtor under the Lease and Management Agreement and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Debtor for the use and benefit of the Secured Party.

5.3. Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Security Agreement, the principal of the Notes, if not previously due, and the interest accrued thereon, shall at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Notes and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Notes including principal and interest thereof out of the net proceeds of such sale after allowing for the proportion of the total purchase price required to be paid in actual cash.

5.4. Waiver by Debtor. To the extent permitted by law, the Debtor covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take, nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or other-

wise to redeem the property so sold or any part thereof, and, to the full extent legally permitted, hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Debtor, acquiring any interest through Debtor in, or title to, the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

5.5. Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold or any part thereof under, by or through the Debtor, its successors or assigns.

5.6. Application of Sale Proceeds. The proceeds and/or avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all proper expenses, liabilities and advances, including legal expenses and attorneys' fees, incurred or made hereunder by the Secured Party, or the holder or holders of the Notes and of all taxes, assessments or liens superior to the lien of these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) Second, to the payment of the holder or holders of the Notes of the amount then owing or unpaid on the Notes for principal and interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Notes, then ratably according to the aggregate of such principal and the accrued and unpaid interest with application on each Note to be made, first to unpaid interest thereon and second, to unpaid principal thereof; such application to be made upon presentation of the several Notes, and the notation thereon of the payment, if partially paid, or the surrender and cancellation thereof, if fully paid; and

(c) Third, to the payment of the surplus, if any, to the Debtor, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

5.7. Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then, and in every such case, the Debtor, the Secured Party and the holder or holders of the Notes shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

5.8. Cumulative Remedies. No delay or omission of the Secured Party or of the holder of any Note to exercise any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party, or the holder of any Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. The Secured Party may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party or holder of any of the Notes be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

Section 6. TRANSFER OF EQUIPMENT.

The Secured Party hereby acknowledges that the Equipment is owned by Refco Transport Equipment, Inc., a Delaware corporation ("Owner"), and that Owner has granted a security interest in the Equipment to Comet Leasing Corp. ("Comet") to finance the Owner's acquisition costs for the Equipment. In addition, the Owner is leasing the Equipment to Debtor. Pursuant to the documents executed in connection with the foregoing transactions, the ownership interest of Owner, the aforementioned security interest of Comet and the aforementioned lease from Owner to Debtor are subject and subordinate in all respects to the security interest of Secured Party hereunder and to the Management Agreement.

Section 7. MISCELLANEOUS.
